Discussion Questions:

Who do you identify with in **Genesis 4:3-16**?

Why?

Have you ever been corrected by God?

How?

How did you respond?

How do you typically handle correction?

Have you doubted God's love and best intentions for you?

How have you worked (or are working) through that?

What is your heart like toward God right now?

How can we encourage each other to keep pursuing God?

How can we encourage each other to work through difficult situations and relationships in our lives?

Is there anyone for whom you need to be a brother's keeper?
